---

## Professional Summary

Technically proficient BBA(CA) student with practical experience in Web Development, focusing on **Frontend**, and modern front-end technologies. Eager to apply skills in **software testing, maintenance**, and development in a challenging internship environment. Eager to learn new technologies in the internship and grow my career.

---

## Technical Skills

**Programming Languages:** HTML5, CSS3, Javascript, Java .

**Database/Backend:** SQL, JDBC (Java Database Connectivity).

**Frameworks/Libraries:** AWT, Swing, React (Basic), Node.js (Basic).

**Tools & Concepts:** Git, GitHub, Vs code.

---

## Project Experience (3 Key Web Development & 1 Database Project)

### 1. Professional Portfolio Website

[Internship/Personal Project] | [September, 2025]

- Designed and developed a responsive, professional **Portfolio Website** using **HTML5 and CSS3** to showcase project work and technical skills.
- Focused on user experience (UX) and clean, modern design principles (Flexbox/Grid).
- **VIEW LIVE :-** <https://tufaildafedar0-prog.github.io/Personal-Portfolio/>

### 2. Blog Website

[Internship Project] | [September, 2025].

- A responsive and interactive blog website to post personal blogs. This website features multiple blog posts, a comment system, localStorage, search functionality for enhanced user experience.
- **VIEW LIVE :-** <https://tufaildafedar0-prog.github.io/blog-website/>

### 3. Tic-Tac-Toe Web Game

Internship Project | [September, 2025]

- Built a classic **Tic-Tac-Toe game** using **HTML, CSS, and JavaScript**.
- Focused on implementing complex **game logic** including winning conditions, draw conditions, and dynamic player turn management.
- Gained significant experience in **debugging and testing JavaScript** to ensure seamless and

accurate functionality.

- **VIEW LIVE :-** <https://tufaildafedar0-prog.github.io/tic-tac-toe/>

#### 4. Gym Management Application (Java/SQL)

##### College Project | [October, 2025]

- Developed a complete **Gym Management System** using **Java (AWT/Swing)** for the frontend/GUI.
  - Implemented **full database connectivity (SQL)** using JDBC to manage member data and schedules.
  - Managed the project lifecycle including requirement analysis, coding, testing, and deployment within a strict **15-day deadline**.
- 

#### Education

##### Educational Qualification

- **(BBA(CA))** — Prof. Ramkrishna More Arts, Commerce & Science College, Akurdi, Pune  
2023 – 2026(Pursuing).
  - **HSC (12th)** — Camp Education Society, Akurdi.  
**Year:** 2023 | **Percentage:** 78%
  - **SSC (10th)** — Camp Education, Akurdi.  
**Year:** 2021 | **Percentage:** 82 %
- 

#### Training & Leadership

Leadership Experience: Team Leader for a Group Discussion during a college training program, demonstrating collaboration and communication skills.

Technical Training: Comprehensive training in various technical modules including database connection and fintech.
